Mission Statement:

Torbay Mencap is a charitable organization which works with people with learning disabilities and family carers in Torbay. We aim to promote the rights of people with a learning disability and their carers to ensure they have access to a wide range of quality services and opportunities. Torbay Mencap is keen to support organisations to develop new opportunities within Torbay. We will work closely with each organization we fund to ensure that people with a learning disability and carers get the best possible support.

Torbay Mencap Achievement List 2017:

We are supporting:

- A community based social enterprise group offering day service opportunities for people with a learning disability (1 year left of 3)
- And an older carers' group.

We are also:

- supporting an organisation to set-up a younger persons evening club
- in discussion with Torbay Council regarding the provision of a 'Changing Place' facility for Torquay on the seafront or town centre area
- updating the Hospital Passport with the cooperation of Torbay and Plymouth NHS Trusts. The new passport is now available on our website
- working closely with Torbay Hospital to enable an online flag system in A & E. This will reduce the risk of life threatening intervention regarding complex health needs of those with a learning disability
- proudly supporting Torbay Gateway Club that meets every Tuesday

evening at Jasmyn House, Midvale Road, Paignton TQ4 5BD between 7pm - 9pm.
